ROOIBOS TEA ESPRESSO

Make red espresso®

red espresso® is a delicious, full-bodied espresso made from pure rooibos tea. Available in ground rooibos and Nespresso® compatible capsules in a range of flavours.

ESPRESSO MACHINE

Use 12g (2 tablespoons) of our ground rooibos for a double shot (60ml/2oz.)

AEROPRESS

Use 12g (2 tablespoons) of our ground rooibos per cup and top with just-boiled water. Allow to brew for 1 minute.

FRENCH PRESS

Use 12g (2 tablespoons) of our ground rooibos per cup and top with just-boiled water. Allow to brew for 2-3 minutes.

STOVETOP MOKA POT

Fill the filter basket with our ground rooibos, leaving enough space for the tea to expand. Place on medium heat.

NESPRESSO MACHINE

Insert 1 capsule into your Nespresso® machine and express. Run a shot of water through your machine before use.
